

# Tixstock: Revolutionising Ticket Resales with Innovative Payment Solutions

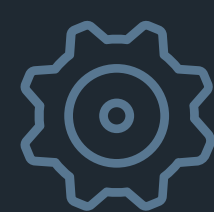

Tixstock stands at the forefront of the live event, ticketing, and hospitality industries, leveraging over 40 years of experience managing complex international operations and pioneering innovative technology to transform businesses across Europe.

## Tixstock's objectives

Establish a seamless marketplace connecting global ticket sellers and buyers.

Streamline payment and receipt processes for thousands of monthly transactions with scalability for future growth.

Develop a robust payments infrastructure to manage FX risk and facilitate transactions in multiple currencies.

Ensure exceptional user satisfaction with fast, reliable payments both within Tixstock accounts and to third-party bank accounts.

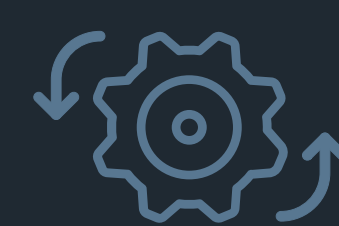

## Tixstock's challenges

Integrating foreign exchange capabilities to handle transactions in multiple currencies and mitigate FX risk.

Delivering efficient and reliable payments to avoid delays in international payouts and maintain seller satisfaction.

Overcoming operational complexity associated with managing transactions across different countries.

Accommodating diverse needs of individual buyers, sellers, and corporate resellers.

Implementing robust and transparent financial reconciliation.

# Moneycorp's solution

## Highest level of payment aggregation in Europe

By leveraging Moneycorp's advanced payment solutions, Tixstock achieved unparalleled payment aggregation.

## Frictionless end-user experience

The user experience was enhanced by self-service, real-time intra-platform payments and currency exchange.

## Robust regulatory compliance

By maintaining a robust compliance framework, we empower our clients with the knowledge that their transactions are conducted within a secure environment. We prioritise security and regulatory compliance at the heart of our business.

## Bespoke payment platform structure

A two-level account structure with unique virtual IBANs for individual buyers and sellers capable of holding up to 35 currencies, along with sub-accounts for corporate resellers was successfully implemented.

## Global payout efficiency

By leveraging Moneycorp's global payment network, payouts to ticket sellers were made faster and more reliable and seller satisfaction and trust improved trust in the platform significantly improved.

Moneycorp's APIs provided Tixstock with a comprehensive suite of financial tools designed to address their challenges.

## Why Moneycorp?

Thriving globally requires a partner who listens and adapts to your business needs, going beyond just processing payments. Our seamless global network provides 24/7 access across borders, helping you seize opportunities for sustainable growth.
